(ii) DoD will realize a cost savings compared to the cost of procuring a similar quantity or level of such item or service using commercial acquisition procedures.

(2) In the case of a procurement valued at \$100 million or more, a contract may not be awarded pursuant to a conversion of the procurement described in paragraph (a)(1) of this section until a copy of the head of contracting activity determination is provided to the Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics.

(b) In making a determination under paragraph (a) of this section, the determining official shall, at a minimum, consider the following factors:

(1) The estimated cost of research and development to be performed by the existing contractor to improve future products or services.
